

SOBUJ MIAH

Office Administrator · Operations Support · Linux & On-Device AI Engineer

Savar-1340, Dhaka, Bangladesh · GMT+6 · soobujmiah@gmail.com · +880 1617 040846

github.com/soobujmiah · linkedin.com/in/soobujmiah · t.me/soobujmiah

8+ years across operations, administration and technical support — from Saudi Aramco gas-plant projects to running the daily back office of an education organisation in Dhaka. Self-taught Linux and on-device AI engineer who built a GPU-accelerated Debian workstation and local LLM lab entirely on an Android phone. Available for freelance and remote work.
